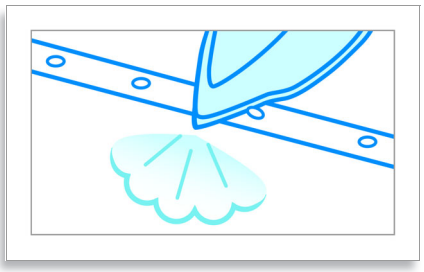
PHILIPS
sense and simplicity

Steam iron
Steam tip

GC3640/02

Highlights

Steam tip

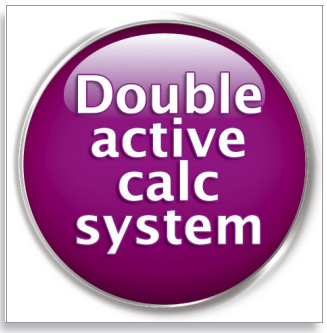


The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Drip-stop system

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Double Active Calc System



Double Active Calc system prevents scale build-up through anti scale pills and an easy to use calc clean function.

Auto Energy Saving

20%* automatic energy saving The innovative feature in the Philips steam iron, makes sure you get the 100% steam power to remove creases thoroughly. At the same time, it saves 20% energy automatically, because it eliminates wasted steam. * Based on IEC clause 11 protocol, compaired to predecessor at maximum steam.

Soft grip

The soft handgrip allows for comfortable ironing even during longer sessions.
